

Dear Parents,

We are pleased to announce InfoCenter, a new tool that will provide you with easy access to your student's local school events, messages from the principal, homework assignments and class news from any touchtone telephone 24hours a day, 7 days a week. Gone are the days of your child telling you that he or she does not have any homework and no way for you to confirm that.

The system is very easy to access. Simply dial 770-795-5720 and enter your desired teacher's extension. A list of teachers extensions is below.

If you have any questions, please feel free to contact
